Our system provides access to our best offers and is updated regularly

The screenshot shows a web interface for managing offers. At the top, there's a header with the word "Offers" and a user profile for "elmbraun@gmail.com". Below the header is a blue bar with the text "Browse offers" and a subtext "Click on the thumbnail to see offer's quick info.". A search bar and several filters (Payout, Mobile Apps, and a "select all" button) are located below the blue bar. The main content area displays a list of five offers, each with a checkbox, a thumbnail, a title, a price, a "Preview" button, a "Mobile Apps" button, a list of tags, and a "Request offer" button.

Offer ID	App Name	Price	Platform	Category	Tags	Action
